

MINI ALUMINIUM ROLLER SHUTTERS

MINI ALUMINIUM ROLLER SHUTTERS

Maverick Mini Roller Shutters are suitable for a wide range of commercial, industrial and domestic applications with either internal or external installations including: shopping centres, shop fronts, counter tops, arcades, serveries, clubs, doorways, verandas, truck shutters or any area where security and concealment are essential.

SPECIFICATIONS

Size

Each individual Mini can be manufactured up to a width of 3.0m or a total of 9 square metres.

Curtain

The curtain is manufactured by interlocking 40mm x 1.5mm extruded aluminium slats, in 6063-T5 alloy to form a continuous hinge. Each joining slat is fitted with moulded nylon end clips to prevent lateral movement and provide a smooth and quiet operation inside the side guides.

Bottom Rail

The bottom rail of the shutter is manufactured from an extruded aluminium section 60mm x 10mm which shall encase a locking device. Optional felt brush available.

Locking

The bottom rail houses a keyed centre lock within the extrusion. This operates 15mm x 2mm aluminium flat bars which, when in the locked position, secure into the side guides on both sides of the opening. The standard

locking position allows for double sided lock with operation from both inside and out.

Side Guides

The guides are manufactured from an extruded aluminium section 54mm deep x 22mm wide. Optional felt brush available.

Brackets

Manufactured from slotted 90mm x 40mm mild steel.

Pelmet boxes

All mini roller shutters can be enclosed in a various number of different size pelmet boxes.

Drum

The drum is manufactured from 60mm diameter hexagonal tube and shall be fitted with helical coil springs designed to counterbalance the curtain weight throughout its full operation.

Operation

Manual operation, simply push up and pull down with supplied pull pole. Doors can be electrically motorised with various push button, remote control or key switch operation.

Finish

Clear anodised standard colour
Powder coating as an option in Dulux powder coat range.

Maverick Roller Products Pty Ltd is continually researching and developing its products and reserves the right to change specifications without notice.
